

ALL YOU CAN ART

Art Group for Teens

with Jas Milam

The primary focus of this class for teens is self-expression through art. Small groups of students will benefit from a teaching artist's instruction and demonstration followed by hands-on art experiences. Participants will explore a wide variety of materials while working both two and three dimensionally. Projects include plaster masks, CD jewel case design, abstract painting and shadow boxes. Registration is first come first served and class size is limited. We will meet for 8 Monday evenings from 5:30 - 8:00 p.m at Another Way Center, 1502 Bailey Avenue in Highland Park. Call 698-0814 to register. \$400 includes all materials and is payable in two \$200 payments.
